

Snowmobile Trail Pass Effective July 1, 2015

- Effective July 1, 2015, snowmobile registration will cost \$30 and last for 3 years.
- Registrations last for 3 years; trail passes are annual and need to be purchased each year.
- All snowmobiles operating in Wisconsin will be required to display a Wisconsin Trail Pass to operate on trails and corridors. The pass will be 3" x 3" and required to be placed on the lower center of the windshield.
- Non-resident trail pass fee increases from \$35 per year to \$50 per year. There is no discounted option for non-resident trail passes. This pass may be ordered online or purchased at any DNR license sales agent (where hunting and fishing licenses are sold). Trail passes will be delivered by U.S. Mail.

Note: Non-residents may purchase a discounted trail pass if their snowmobile is registered in Wisconsin and they belong to a snowmobile club and the AWSC.

- The Wisconsin Trail Pass is \$30 for owners of snowmobiles registered in Wisconsin who are not members of a snowmobile club and the Association of Wisconsin Snowmobile Clubs (AWSC). This pass may be ordered online or purchased at any DNR license sales agent. Trail passes will be delivered by U.S. Mail.
- A \$10 discounted annual Wisconsin Trail Pass will be available to members who currently belong to both a Wisconsin snowmobile club and the AWSC. Passes may be ordered through the AWSC website or the office in DeForest. Trail passes will be delivered by US Mail. The discounted pass will be available for each of your Wisconsin-registered snowmobiles. The snowmobile clubs continue to be responsible for collecting your AWSC membership dues.
- Revenue generated from the sale of snowmobile registrations and Wisconsin Trail Passes goes to the segregated snowmobile account which is used to maintain and develop Wisconsin's snowmobile trails.
- Wisconsin snowmobile trails are made possible by snowmobile club volunteers who provide the labor to brush, sign and groom the trails and the landowners who allow trails to cross their property.
